Property Name: _____

Unit Number: _____

Name to Appear on Gate Directory:

Remote Number: _____
(5 digit code found on back or inside of remote)

Last Name: _____

First Name: _____

Phone: _____

(Note: This is the phone you will answer when a guest calls for entry into your community)

4 Digit pass code: _____(if available)

(for your personal use in the event your remote is unavailable or non- functioning)(This code is used by pressing # and then the 4 digits requested above)

Using the gate is simple. When a guest arrives at the call box he or she will be able to identify you by your last name and first initial(s). The call box will dial your number. When you answer you will simply press nine (9) on your phone and the gate will unlock for entry.
